Through the cross joy has come into all the world!
Rooted

Our capital campaign, Raising the Cross, for the construction of a new parish home, does more than reinforce the love for which our parish was named: the Epiphany of the Holy Cross.

Raising the Cross is inextricably linked with the Resurrection of our Lord and Savior Jesus Christ, the means by which He draws all people to Himself. The cross is the source of our hope and our joy, which we are called to share with others.

We sing for the day when we will witness the culmination of years of planning and sacrifice when the cross is placed at the church’s altar, joyfully proclaiming our faith and inviting the Triune community to share in it.

Nurtured

Our Holy Cross community is blessed with many gifts. In a spirit of Christian stewardship, we receive these gifts gratefully, strive to cultivate them responsibly, and, like the wise servant in the Parable of the Talents, return them with increase to the Lord.

Faithful

Our new parish home will help us to fulfill our call to be the light of the world. Our spacious new church will accommodate 250 people. It will welcome Orthodox individuals and families new to the Triad seeking a church home; it will invite those drawn to the beauty of Orthodoxy and hunger for the ancient Christian faiths; and, of course, it will provide a place for our church family to come together to celebrate, at times of joy, serve our neighbors in need, and pray.

We will be at peace, knowing that our sacrifice has not been in vain. Our firmly planted church home will grow much and expand like a tree of life, providing a spiritual shelter and hope for generations to come.

The Parish Council and the Capital Campaign committee of Holy Cross Orthodox Church ask your prayers for the success of this venture and for the continued growth and spiritual health of our parish. If you have never visited our church, we invite you to come and see why Orthodoxy is growing in the United States and in the Triad!
